Pharmacy Directory

This booklet provides a list of DeanCare Rx's network pharmacies. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about DeanCare Rx network pharmacies in your area, please visit our Web site at www.deancarerx.com or call our Customer Service at 1-888-422-3326, Monday through Friday, 8:00 a.m. to 8:00 p.m. TTY/TDD Users should call 1-877-733-6456.

Introduction

This booklet provides a list of DeanCare Rx's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and DeanCare Rx's formulary. If you have additional questions, please call our Customer Service at 1-888-422-3326, Monday through Friday, 8:00 a.m. to 8:00 p.m. TTY/TDD Users should call 1-877-733-6456. Or, visit www.deancarerx.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by DeanCare Rx. In most cases, your prescriptions are covered under DeanCare Rx only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
