

Quick Reference Drug List - Select 3-Tier Formulary

This document is subject to change. The most updated version of this document, as well as a complete formulary listing, is available at www.deancare.com or upon request at (800) 279-1301. Drugs will be filled as generics when acceptable generic equivalents are available. This document is copyrighted by Dean Health Plan and may be reprinted for personal use only. Reproduction of this document for any other reason is expressly prohibited, unless prior written consent is obtained from Dean Health Plan.

Reading the Drug List

Generic drugs are listed in all lower case letters. Brand name drugs are listed in all upper case letters. Each drug product is assigned a coverage level, shown to the right of each drug product.

Tier 1	Formulary generics and some lower cost brand products	\$
Tier 2	Formulary brand products and some higher cost generic products	\$\$
Tier 3	Non-preferred formulary products	\$\$\$

Relative Cost to Member

All newly FDA approved drugs on the market will initially NOT be covered, pending further review by the Dean Health Plan P&T Committee.
