**Assumptions for non-HSA PPO/POS plans:**

- In-Network ACA MOOP = \$7,150 single/\$14,300 family in 2017
- Out-of-network ACA MOOP is unlimited, meaning copays will continue to apply even if the out-of-network deductible/coinsurance limit has been met.

*Note: Should any quoting require options other than those provided OR the assumptions do not align with consumer needs, please contact your sales or account management team to request a modified plan design(s).*
