

Ameritas Group puts their customers first. And second. And third. Always. For Ameritas Group, it's about more than just providing coverage. It's about making the complicated world of benefits uncomplicated. Dean Health Plan has partnered with Ameritas Group Dental to offer dental coverage.

Network

Ameritas Group wants to make it easier for people all across the country to see their dentist. That's why they offer more than 170,000 provider access points nationwide. The Ameritas PPO is a group of dentists who agree to provide dental services at discounted fees to individuals covered under Ameritas' dental insurance plans. In many cases, PPO savings apply even on non-covered services. To find out if your dentist is a member of the Ameritas PPO network, or to find a network dentist that is most convenient for you, visit deancare.com/wi-employees and select 'Group Dental Providers.' You can also call the Customer Care Center at (800) 279.1301.

PPO Information

To find out if your dentist is a member of the Ameritas PPO network, or to find a network dentist that is most convenient for you, visit deancare.com/wi-employees and select 'Group Dental Providers.' Under the Dental Information call out on the right side of the page you can also find information about your coverage, FAQs, and you can review your complete employee certificate.

While using a PPO dentist will almost always lower your out-of-pocket costs, every Ameritas Group plan gives you the freedom to visit any dentist you choose.

Ameritas PPO dentists agree to charge plan members based on negotiated fees, often including discounts for non-covered services such as whitening procedures, root canals, and dental implants. This results in member savings when visiting an Ameritas PPO plan provider.

Note: Outside of Wisconsin, state law may impact the availability of discounts.

Pretreatment

Ameritas Group does not require a pretreatment authorization for any procedure. However we recommend a pretreatment estimate of benefits for any dental work you consider expensive. If you want to know your share of the cost up front, simply ask your dentist to submit the information for a pretreatment estimate to the Ameritas customer relations department: Ameritas Group Claims, PO Box 82520, Lincoln, NE 68501, fax: 402.467.7336.

Ameritas will inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.
