

DHS, DRS and SMDV members only.

Chronic Illness Drug List – Effective January 1, 2009, the brand name co-payment for medications for diabetes, cardiac disease, asthma, and hypertension will be \$5 if there is no generic equivalent available. The co-payment for other medications will remain unchanged at \$5 for tier 1 drugs and \$25 for tier 2 drugs. **Please note that this co-payment change is specific to coverage for employees through the group health plans offered to DHS, DRS and SMDV only.** If you have Dean Health Plan coverage under a spouse or family member's employer plan, your drug co-pays may be different.
