

Great News for Dean Health Plan Members Using SpecialtyRx

Navitus SpecialtyRx is a program designed in conjunction with Walgreens Specialty Pharmacy to help members and their prescribers with their specialty pharmacy needs.

Experience the Difference

Navitus SpecialtyRx coordinates personalized support for Dean Health Plan members impacted by chronic illnesses and complex diseases, such as rheumatoid arthritis, multiple sclerosis and cancer. Our goal is to improve the quality of life for members by providing personalized support and compassion. We help you navigate the complex medication challenges you encounter every day. Experience the difference of Navitus SpecialtyRx—delivering better service, better health.

Member Services

Personalized Support – Through our comprehensive programs, we develop a customized care plan for you, working with your insurance company and billing multiple payers whenever possible to reduce your out-of-pocket costs.

Quick and Reliable Service – Specialty products are always in stock and can be delivered directly to your home. In addition, we maintain a supply of frequently prescribed specialty medications for your convenience.

Free Delivery – Prescription orders are delivered to you via Federal Express at no additional charge. Tracked for on-time arrival, packages are properly insulated according to their temperature requirements.

Experienced Registered Pharmacists – Our pharmacists are specially trained with many years experience providing pharmacy care to people with complex conditions. You will receive the one-on-one counseling you need to manage medication side-effects and stay on course with your treatment.

Monitoring and Reminders – Our refill reminder program ensures you complete your therapy successfully. To help keep you on track, we will call you to remind you to order your medication.

Compassion – Navitus SpecialtyRx pharmacists are aware of the roadblocks that may set you off course with your treatment. They are available to answer your questions Monday through Friday from 7:00 a.m. to 7:00 p.m.; Saturday 7:00 a.m. to 2:00 p.m. Central Time and are also on call 24/7 for urgent concerns.
