Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-network provider/services: \$500 individual/\$1,000 family Out-of-network provider/services: \$1,000 individual/\$2,000 family	If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . <u>Deductible</u> exceptions include office visit <u>copays</u> and for federally required <u>preventive services</u> . The <u>deductible</u> starts over with each plan year beginning on January 1 st .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> and primary care services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Medical: In-network providers Durable Medical Equipment (in- network only): You pay 20% up to \$500 per individual Out-of-network providers \$4,000 individual / \$8,000 family Prescription drug: Level 1 and 2: \$600 Individual \$1,200 Family	If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met. The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. The federal <u>maximum out-of-pocket</u> is \$9,450 individual/\$18,900 family. This applies to all essential health benefits, including some services not included in the <u>out-of-pocket limit.</u> (i.e. certain level 3 & 4 <u>prescription drugs</u> and adult hearing aids covered under this <u>plan</u>).

What is not included in the out-of-pocket limit?	Copayments for Level 3 and Level 4 non-preferred specialty drugs. Coinsurance for adult hearing aids, premiums and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://www.deancare.com/Find-A-Doctor or call 800-279-1301 (TTY: 711) for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the different between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services
Do you need a referral to see a specialist?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> . However, it is recommended you get a <u>referral</u> to an orthopedist or neurosurgeon for low back pain

Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
