Number to call for claims and insurance questions and **24-Hour Nurse Advice Hotline**

Get the Right Care: Your primary care provider (PCP) is the appropriate contact person for routine care needs. Your PCP can assist with preventive services, office visits, and overall guidance to the right care.

Urgent Care / Emergency Care: If you have serious medical needs, seek care at an urgent care center or emergency room. In life-threatening emergencies, dial 911 or seek immediate medical care.

24-Hour Dean On Call Advice Line 1-800-576-8773: (available to Wisconsin residents only). For care guidance outside of the normal working hours, our Dean On Call center has registered nurses who can assist with care questions or guide you to the appropriate location for care.

Notify us for emergency or out-of-state admissions.
