

Members can receive up to

\$33 for a **FLU VACCINE!**

Protecting yourself against the flu virus is crucial. That's why Dean Health Plan is committed to ensuring members have access to this important step in maintaining your health and well-being. Dean is here to help make getting your flu vaccination easy.

Get Started:

1

The easiest way to get your flu vaccine is to **see your Dean Primary Care Provider**. Simply make an appointment or attend one of the flu clinics offered by your provider. There is no charge when you get a flu vaccination from your Dean doctor.

2

If you are unable to see your provider, you can **get vaccinated at another provider, pharmacy or retail location of your choice**. Dean Health Plan members can be reimbursed up to \$33 for vaccinations provided at these locations.

To receive reimbursement, complete the Flu Shot Claim Form and submit to Dean Health Plan along with a copy of your receipt. Forms are available at **deancare.com/flu**
