

2023 Preventive Drug List

Your health plan is making an effort to reduce your health care costs by giving you tools to help you stay healthy and productive. Below are the medications included on your Preventive Drug List. These medications help protect against or manage some high risk medical conditions. Taking these medications as directed by your prescriber can help avoid serious health problems. That may mean fewer doctor visits and hospitalizations, reducing your total health care costs.

This list is updated annually on a calendar year basis and is subject to change. Step therapy, quantity limits, and prior authorizations may apply. Please refer to your drug formulary for most current limitations.

Generic drugs are shown in lowercase type. Brand name drugs are shown in uppercase type.
