# Notice To Applicant Regarding Replacement of Accident/Sickness Insurance (Form A)

This Policy provides ten (10) days within which you can decide, at no cost to you, whether you desire to keep this Policy.

If you intend to lapse or otherwise terminate your present policy and replace it with a Policy issued by Dean Health Plan, Inc. (DHP), the following facts should be considered before you make this change:

1. You may have health conditions covered under your present policy that may not be covered under the new Policy. This could result in the denial of future benefit claims relating to these health conditions under the new Policy.
2. Questions in the Application for the new Policy must be answered truthfully and completely; otherwise, the validity of the new Policy, and the payment of any benefits thereunder, may be voided.
3. The new Policy will be issued at a higher age than that used for issuance of your present policy; therefore, the cost of the new Policy, depending upon the benefits, may be higher than you are paying for your present policy.
4. The renewal provisions of the new Policy should be reviewed, as they may differ from your present policy.

It may be to your advantage to secure the advice of your present insurer, or its agent, regarding the proposed replacement of your present policy. You should be certain that you understand all the relevant factors involved in replacing your present coverage.
