

Value Choice Network

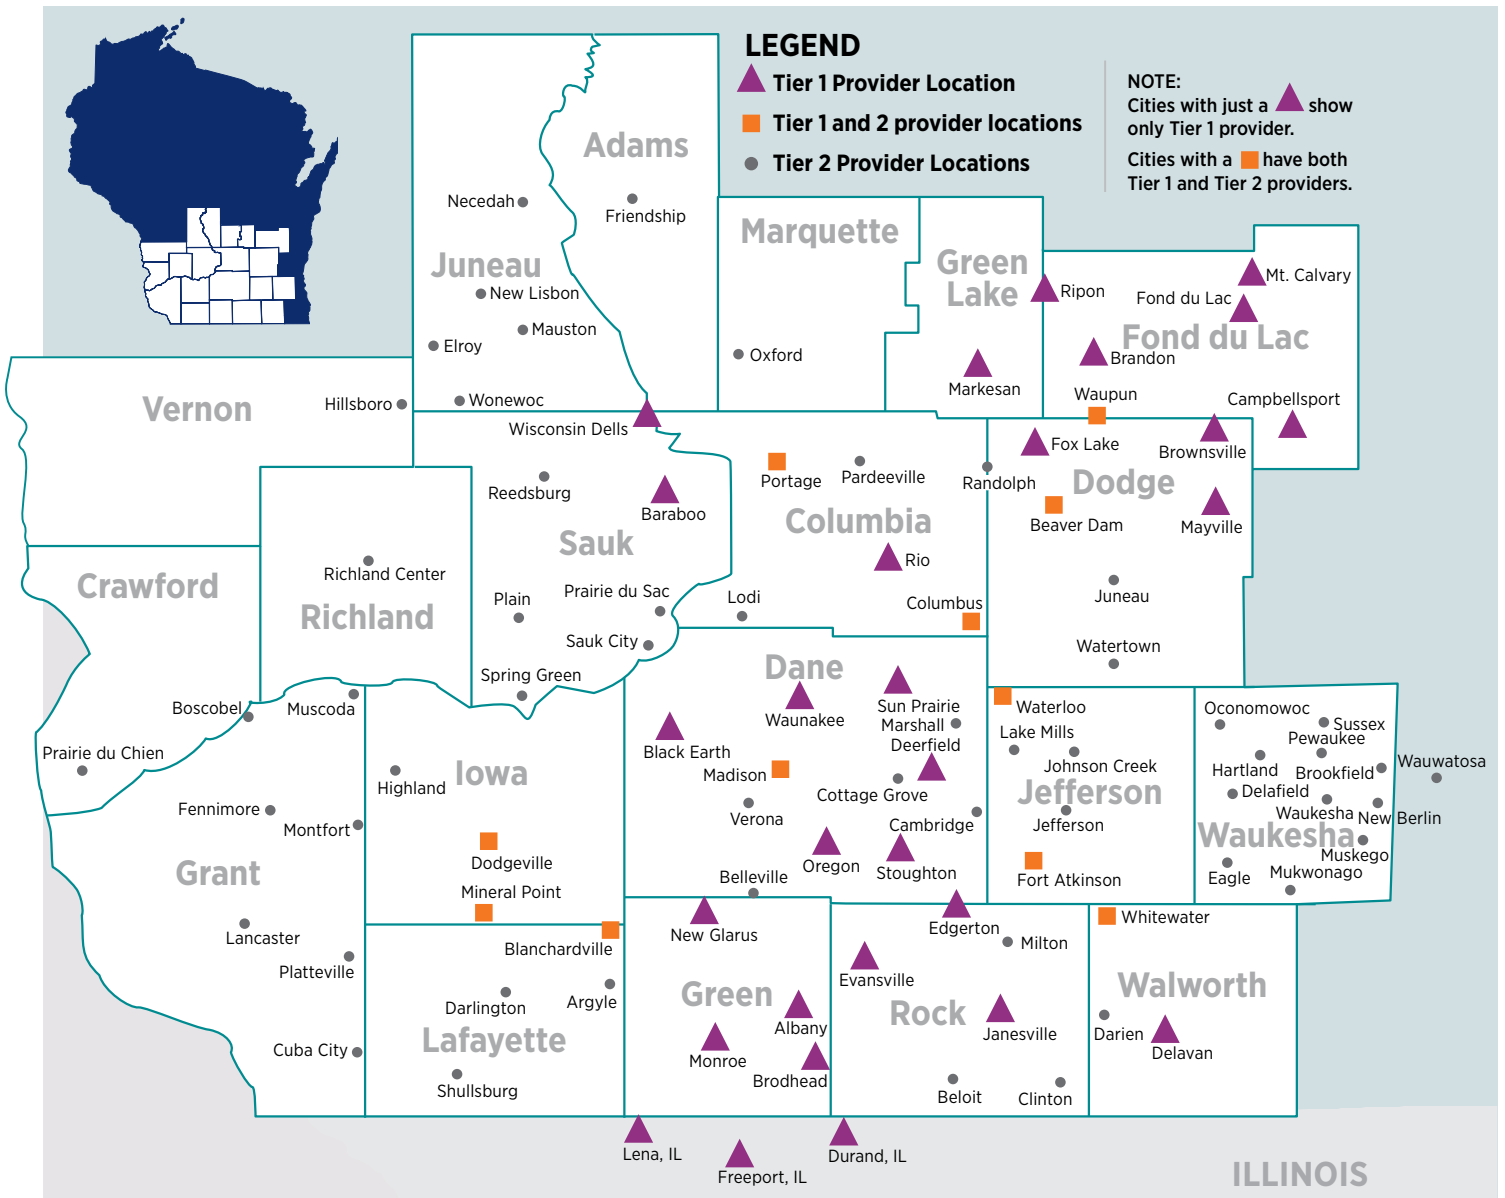

Great care and value without compromise

The Value Choice Plan* delivers lower premiums and access to the care options large group members want with added savings on SSM Health provider office visit copays. How does it work? Members can take advantage of lower copays for Tier 1 copay benefit plan provider office visits.

They still have the choice to access Tier 2 copay benefit plan office visits with copays similar to Traditional HMO plans.

Lower copays for specialty and PCP office visits are a great benefit of the Value Choice Plan.

Find provider options for Value Choice Plan using the map below.

*Only available for Large Group employers.
 Excludes HSA-eligible high deductible health plans.
